First Do No Harm The

First, do no harm - Harvard Health Blog - Harvard Health ...

Oct 13, 2015 · Is “first, do no harm” even possible? The idea that doctors should, as a starting point, not harm their patients is an appealing one But doesn’t that set the bar rather low? Of course no physician should set out to do something that will only be accompanied by predictable and preventable harm We don’t need an ancient ancestor, however

First, Do No Harm

- The overall results in this report are similar to those that were included in our first report, “First, Do No Harm,” released February 2018, although this analysis was based on a substantially larger population This suggests a strong practice pattern for these areas of care
